PUBLIC SCHOOLS WEEK

Jefferson Union High School Invites Parents, Friends To Open House, April 12

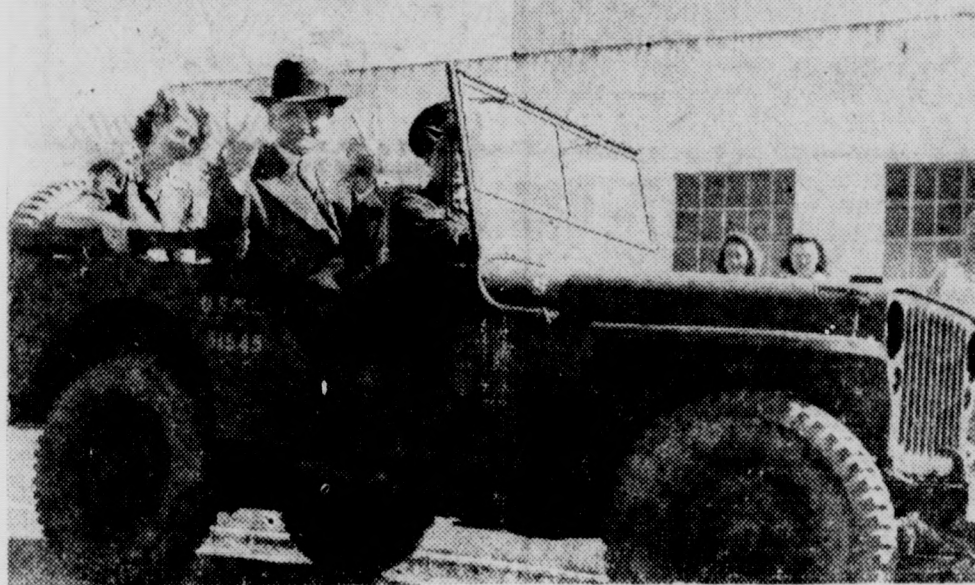

California's twenty-fourth annual observance of Public Schools Week will begin, this year, Monday, April 12. For its part in the important public education event, Jefferson Union high school is planning an open house for Monday evening, April 12, at the school. Teachers will be on hand to talk with parents and others interested in the school's work at 7:30 p. m., while at 8 p. m. a formal program will be presented in the auditorium. The public is invited by Principal James Ferguson to attend.

Presiding over the program will be Jay Jensen, representing Crocker Masonic lodge, co-sponsors of

the local ceremony. A panel discussion entitled "Something to Do, Someone to Love, and Something to Hope For" will be participated in by five students under the supervision of R. J. Gale, public speaking instructor. The high school chorus, under the direction of Oscar Busch, will sing a number of selections, and Principal Ferguson will make a few brief remarks.

Further details of the program are to be announced in next week's Record.

Theme for the state-wide observance was announced as "Education for Victory."

Catch Two Men Driving When Drunk

When Daly City traffic court gets under way, tomorrow afternoon, two weekend drivers charged with driving while intoxicated will face Judge William J. Sweeney.

Philip B. Buzzo, San Francisco, was caught driving a Ford coupe north on Mission street, at 1:05 a. m., March 26, in an erratic manner with bright lights on in a dim-out zone. Officers Henry Sundermann jr. and August Benassini overtook him at Hillcrest drive. He was driving with no operator's permit and had only one draft card. He was released on \$50 cash bail to appear April 2, at 2:30 p. m.

Saturday night at 10:45 p. m. (Continued on Page 5)

Charles Norry, manager of the Daly City Farralone Packers, both juniors and seniors, announced today that the semi-pro baseball teams will start playing at Marchbank field, Sunday, April 11. Two games will be scheduled every Sunday. The 11 a. m. game will see the juniors in action, while at 2 p. m. the seniors play.

The following players have been signed up to represent Daly City in the Peninsula league, which starts April 25: Babe Barsotti, p; Cookie Pera, p; Perasso, p; Longa, 1b; Guisti, 2b; Bing Miller, ss; (Continued on Page 5)

Herbert Guptill New Daly City Postmaster

The Daly City branch post office has a new postmaster, Herbert Guptill, member of the San Francisco post office department for many years.

Guptill succeeds Daly City's former postmaster, Gustav John, whose retirement from the government service became effective, last month. Guptill began his duties at the local post office three weeks ago.

With many years of experience in postal service, Guptill has had charge of several stations in San Francisco during his service with the government. He comes to the local post office from the Presidio station, where he was superintendent. Part of his time as station executive was spent in San Francisco's financial station in the Russ building.

The new postmaster received a legal education in San Francisco.

Jeff Baseball Team To Play St. Ignatius

In preparation for the opening of PAL league baseball, April 9, Jefferson high players will meet St. Ignatius high on the local diamond, tomorrow afternoon, in another of the current practice sessions.

Last week, the local boys lost a close game, 4 to 1, when George Washington high players tallied three times in the last of the fin-

New Contingent Reports For Induction, April 7

Selective service headquarters at the city hall revealed, today, that a new contingent of men in the Daly City area will be inducted, April 7. Quota for Daly City Draft Board No. 103, for this call, is 69 white men and 1 colored.

Dr. J. C. McGovern, board chairman, announced that the men will meet at the city hall, 2 p. m., April 7, to get final instructions. At that time their leaders will be appointed. The following day, April 8, the group will report at the San Francisco armory for their physical examinations by army doctors.

The new group contains many men who have recently been reclassified.

Senior Air Raid Wardens To Meet

Will Discuss Drill, Distribution Of Notices

Main topic of discussion at tomorrow night's meeting of Daly City's senior air raid wardens will be the coming city-wide drill for all civilian defense volunteers, according to Harry Mellicker, chief air raid warden. He urged all senior wardens to attend.

Mellicker reported that the posters bearing general evacuation instructions had been delivered to homes in the majority of the sectors here. He pointed out that any senior air raid warden who has not yet received his quota of these important placards may do so at the April 2 meeting. Each warden who needs the instruction sheets should come with an estimate of the number of homes in his sector.

The chief air raid warden explained that all residents west of Mission street have as their evacuation center the Woodrow Wilson school, Santa Barbara avenue, between Vista Grande and Knowles avenues. Alternate, to be used only in case of the destruction of the first site, will be Woodrow (Continued on Page 2)

Local Housewives Face Rationing Setup With Aplomb

Daly City's "generalissimos" of the home front, eyes glued to revised ration point charts, pocket-books bulging with Books One and Two, went about the business of feeding their families with considerable dignity and fortitude, this week. Gone were the pushing, over-flow crowds of meat shoppers. Although point values for fruit juices, dried soups, dried fruits, (prunes and raisins temporarily down to 0) and dried vegetables had changed, with the new D, E, F, period, housewives were used to life with the OPA at their elbows by now and took it calmly in their stride.

A total of 48 points for the month of April is provided in each person's Book Two, blue stamp section. OPA officials pointed out that the validation of the same total for this month as for March refutes reports that individual point allotments for processed foods were to be increased.

This week the A stamps in the red section of Book Two are valid for the purchase of meats, cheese, butter, canned fish, and edible oils. Each individual has an allotment of 16 points for the week. Details of the point values of this group of foods may be found on pages 6 and 7 of this week's Record. Clip and save the chart now. Each week during April a new red stamp becomes valid. However, none of these, A, B, C, D, E, expire until April 30.

Begin New Class In Standard First Aid

R. L. Crane jr., chairman of first aid training in Daly City, reminded the public today that a new class in standard first aid started Monday night, March 29. There is still time to enroll. Those interested in getting this advanced first aid instruction may sign up at the next meeting of the group, April 5, at 771 Niantic street.

Teacher is John Emerson. There will be a total of ten weekly sessions.

To Launch Second War Bond Drive Here

The United States Treasury will launch its second war bond campaign, April 12, with the expectation of financing \$13,000,000,000 in Treasury securities. Daly City, like communities throughout the nation, is expected to do its part.

Already a local Victory Fund committee has been named. Chairman is John Degliantoni, assisted by A. E. Pulley, John J. Fahey sr., Louis Nava, and Paul Delucchi. Other members will be announced shortly.

Slogan for this huge drive is "They Give Their Lives — You Lend Your Money" and everyone is urged to invest the largest amount they can possibly afford, according to Degliantoni.

There are seven different types of U. S. Government securities and each person may select the ones best suited to himself.

Well, What Would You Have Thought?

The reports for the weekend at the Daly City Police department, concerned mostly with family bickerings, runaway children, obnoxious drunks, false alarms and minor traffic incidents, were given a humorous twist by the antics of livestock.

Sunday morning at 7:35 a. m. a resident looked out her window at 569 Hanover street to see 6 heifers and 2 bulls leisurely strolling up Hanover. Officers Henry Sundermann jr. and Roland A. Petrocchi responded to the call. They intercepted the strange procession at Partridge lane. Using their Buick for "round up" purposes they drove the animals into a vacant lot near 638 Templeton. Making a temporary corral of rope from Co. 4 firehouse, the officers then tried to find the owners. Eventually, the cattle were taken to their owners in the Cresta Brothers van.

Walter Lehigh, 563 Crocker avenue, reported a rare sight in Daly City annals, to police, Friday night at 11:40 p. m. While out walking with his dog in the neighborhood of his home he was startled to see a group of horses running up Alexander street. Officers Joe Kusber and George Hopman found the horses gone and concluded they had taken to the hills.

Bodien To Inform Group Of April Test For Daly City

Volunteers Will Face About Forty Incidents

Arthur J. Bodien, director, will read an important communication to members of the Daly City Civilian Defense council, tonight, at the city hall. The letter, from the State Council of Defense, proves that there was more than conversation in the recent state-wide discussion of the reactivation of civilian defense.

Bodien announces that some time during April a city-wide drill, involving all the various branches of civilian defense, will be held. Federal, state and county officials will be on hand to check on Daly City's preparedness. These officials will determine the more than forty incidents with which local volunteers must contend.

Following the test, all volunteers will go to the high school to receive the criticism, good or bad, of the visiting officials. After the general meeting there, control room leaders will return to the city hall for separate criticism and suggestion.

After last week's civilian defense council meeting, March 25, a control board drill was held.

"We have to remember that we are in the danger zone in this war," Bodien said, today, in discussing the new general city-wide drill which will test the strength and weaknesses of the local setup. "The least those of us at home can do is to protect the families and property of the boys that are away in the armed forces," he remarked in advising still more vigilance and loyalty among volunteers.

APPOINT DUFFY

Robert Duffy, 141 Los Banos avenue, recently received an important promotion. A deputy county clerk for three years, he was named, March 15, as clerk of department one of the superior court, presided over by Judge Maxwell McNutt.

Duffy succeeds Homer Hargrave, Burlingame, who resigned. The appointment was announced by San Mateo County Clerk W. H. Augustus.

County Red Cross To Sponsor Special War-Time Swimming Classes For Boys

Struck by a Jap torpedo in South Pacific waters, a burning troop transport is abandoned! American soldiers with life preservers and full field equipment go over the side. Through angry flames from the burning oil on the water's surface, a Daly City youth swims desperately for life! Will he make the raft? Can he get through those flames without being burned badly?

Not a very pleasant thought, but one which the San Mateo County chapter, American Red Cross has thought about a great deal on behalf of young men of this county going overseas. It is a thought to which one county official, Gordon C. Swearingen, has devoted considerable time, and young men in this county who may be among those who have to "swim for it" soon are getting a real opportunity to be prepared for it.

Swearingen, a noted swimming authority as director of water safety, first aid, and accident prevention for the San Mateo County chapter, has mapped out a war-time swimming program for all these youths who are about to go into service. It isn't any "learn to swim" course alone, but is a course designed to teach each youth how to save his life under abnormal war conditions, such as a ship's sinking, swimming under a watery inferno of oil flames, swimming with weapons and field equipment, fully clothed, and saving other lives under such conditions.

Jefferson Union high school, with one of the best equipped swimming tanks on the Peninsula, offers an ideal place for the Red Cross classes in war swimming. Meeting with James E. Ferguson, principal at Jefferson, Swearingen found much enthusiasm about it at the local school, and the course is expected to get under way here soon for boys who are of draft age and even younger.

"It is a 20 hour course of four phases which include everything that has been experienced by survivors from actual sinkings," Swearingen said in describing the course.

The first phase is composed of fundamentals and aquatic skills, which includes learning to float and learning the different strokes. The second phase deals with the application of those skills to war conditions. The third phase consists of what Swearingen calls "shirt tail" life saving. The fourth phase deals with water safety methods, resuscitation, and artificial respiration to victims.

"We are going to try to arrange for either afternoon or evening classes at all pools in the county," Swearingen said.

Besides the modern swimming facilities here, Jefferson Union high school also has an authorized Red Cross swimming instructor on their faculty in Miss Ella Redkey. Miss Redkey plans to adopt the Red Cross course in girls' swimming classes at the high school, Swearingen said.

News Of Daly City

Men In Service

DOWN IN TEXAS

Another Daly City lad whom the Army's keeping very busy down in Texas is Private William Simoncini. He's stationed at Aloe Army Air field, Victoria, Texas. Previous to going to Texas as a mechanic, Simoncini took his basic training in Missouri and additional schooling in Nebraska.

Simoncini sent a nice note of appreciation for The Record, which he claims he reads whether he has time for anything else or not.

IN LOUISIANA

Down at Camp Polk, Louisiana, Herbert A. Poddig, former Jefferson football star, is learning about a new type of "scrimmage." He's with an armored division, in the quartermaster corps, connected with a supply battalion. Poddig, a private, is now completing his basic training.

AT FARRAGUT

Lester De Martini, son of Mrs. Albena De Martini, 127 Los Banos avenue, reported to the U. S. Naval Training Station at Farragut, Idaho, last week.

During the weeks he is in training at the station, located in the beautiful lake country of Northern Idaho, he will be taught the fundamentals of seamanship and undergo intensive physical hardening.

"ME 'N MY JEEP"

Art Linhares, whose home address is 176 Los Banos avenue, is now a sergeant in the U. S. Army Air Corps, stationed at Boca Raton field, Florida. Linhares, who hasn't been back to Daly City since December, reports that he likes reading the home-town news.

Army life has meant getting acquainted with the continental United States for Linhares, who says he has been in most of the states. Photo above is described by Linhares as "a picture of me and my jeep."

FORMER ATHLETES

Two well-known Jefferson Union high school athletes are now serving in the Army. They are Jack Faulk, January '43, and Harland Ferrando, June '42.

Faulk, son of Mrs. Ida Johnson, 858 Brunswick street, is a private. He is now receiving infantry training at Camp Roberts, California. Private Ferrando is the son of Mr. and Mrs. Frank Ferrando, 51 Whittier street. He is stationed at Sheppard field, Texas, where he is training for service with the ground crews of the U. S. Army Air force.

The boys were both football stars at Jefferson.

ATTENDS UNIVERSITY

Private Harold J. Husten, 21, Daly City, has arrived at the University of Minnesota, at Minneapolis, for a course in Army Air Force instruction lasting approximately five months prior to his appointment as an aviation cadet. During this period he will take numerous academic courses, as well as elementary flying training. Upon completion of the course he will be classified as a pilot, navigator or bombardier and go to schools of the Flying Training Command for more specialized work.

Husten is the son of Mrs. James Honan, 256 Los Olivos avenue.

"WHAT ENCHANTMENT?"

Melvin Dykman, son of Mr. and Mrs. John Dykman, 198 Wellington avenue, writes from Carlsbad Army Air Field, Carlsbad, New Mexico, to say "hello" to staff members of The Daly City Record. Dykman, former circulation and advertising manager, is now doing ground crew work. He applied for Officers Candidate School and passed the board, in January.

On New Mexico Dykman writes, "This field is the best yet but the rest of New Mexico can be given back to the Indians. The fellows are still trying to find out what part of New Mexico is supposed to be enchanted. The only beautiful thing I've seen here is the Carlsbad Caverns."

Commission Sigfred Hansen Ensign In Navy

Commissioned as an ensign in the U. S. Navy, Sigfred Hansen, former Jefferson Union high school teacher, began new duties, Tuesday morning, as assistant officer-in-charge of the Naval Recruiting station in Phoenix, Arizona. He received his commission in San Francisco two weeks ago, and left, Saturday, for Phoenix.

Well known to many Jefferson high students, Hansen taught English, dramatics, and public speaking at the local high school for two and a half years. He entered the service in January, 1942, as a yeoman, second class.

He was attached to San Francisco recruiting headquarters in the Federal building where he served for the past year. Hansen's duties were chiefly that of interviewing college men seeking commissions, as junior officers in the Naval Reserve.

Hansen was educated at the University of California, and became a member of the Jefferson faculty in September, 1939.

IN KANSAS

Serafino Ragni, 19, son of Mr. and Mrs. Joseph Ragni, 134 Acton street, is learning the duties of a machinist's mate at the Navy's trade school for machinists at the University of Kansas at Lawrence, Kansas. He will receive 16 weeks of training there upon the completion of which he will be eligible for promotion to a petty officer rating and be assigned to duty with the fleet or at a shore station.

Selected for this study upon the basis of a series of aptitude tests taken during recruit training, he will learn how to operate main and auxiliary engines and adjust, repair and overhaul engines and other engine room equipment.

Ragni attended Jefferson Union high school where he took an active part in sports.

"A MILLIONNAIRE"

"I'm practically a millionaire in Jap money," Metro Rebjejo wrote to his aunt, Mrs. Anna Heckman, 24 Rice street, recently. To prove it he enclosed several large denomination Japanese Occupation bills. He added, "But none of it is any good!"

Mrs. Heckman is proud of her nephew, a private first class with the U. S. Army forces in the Solomons.

Rebjejo asked, "Where did I get the money? From a little guy I didn't like and who won't spend any more." Among his other trophies is a Japanese flag which he intends to send home soon.

"How's the war going?" he asked in his letter. "We're taking care of matters here and hope to do better soon."

WRITES HOME

Mr. and Mrs. A. W. Robertson received a letter, Saturday, from their son, Alfred Robertson, serving with the United States Navy in diesel machine work. He left after spending a short furlough with his parents here, about six weeks ago, and is now stationed with an amphibian boat force in New Caledonia.

CURRENT ATTRACTION AT DALY CITY THEATRE

Hoping to weather the storm are co-stars Ginger Rogers and Cary Grant, together for the first time on the screen in Leo McCarey's "Once Upon a Honeymoon," for RKO Radio. Hans Schumm is the storm trooper demanding proof of their citizenship, a not-so-easy job, since Ginger is the American wife of a German baron, aide to Hitler.

HILARIOUS COMEDY NOW PLAYING AT DALY CITY

A gay, hilarious comedy-romance, laid against and contrasting with the grim setting of war-torn Europe—that's the unique basis of Leo McCarey's "Once Upon a Honeymoon," RKO Radio's new Cary Grant-Ginger Rogers vehicle, currently playing at the Daly City theatre.

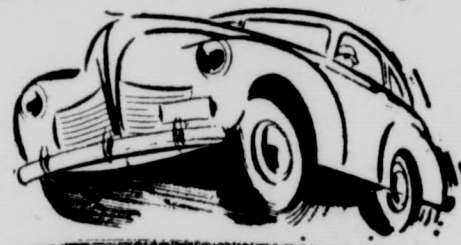

Only Leo McCarey, who produced and directed the film, could have successfully combined such incongruous elements into a brilliant piece of entertainment. From its opening scenes when the American news broadcaster tries vainly to discourage his pretty com-patriot from marrying a German baron to its surprise conclusion aboard a home-bound liner ten months later, the picture hits a happy note of lighthearted gaiety that makes it one of the finest show-cases the two stars have had in years.

It is that marriage that furnishes most of the plot difficulties, for not until after the ceremony does the heroine discover that her titled husband is Hitler's principal agent in "softening up" the little countries preparatory to invading

them. Thereafter her efforts to get away from him, aided and abetted by the radio reporter, give rise to the many exciting happenings in Warsaw and Amsterdam and Paris that lend authenticity to the story.

The delightful performances of the principals and of noted stage celebrity, Walter Slezak, who makes his Hollywood debut as the suave baron, are of a piece with McCarey's adroit direction, with Sheridan Gibney's clever screenplay and with the convincing work of the supporting players, notably Albert Dekker as an American secret service agent and Ferike Boros as a maid.

Frank Coughlin, Veteran Scoutmaster, Resigns To Devote Time To Sea Scouting

In a letter, this week, to the editor, Frank Coughlin, veteran Daly City scout leader, formally announced his resignation from Troop 101 as scoutmaster. Reason is to enable him to devote all his time to the new sea scout program.

"I wish to thank all those who have helped me the seven years I had No. 101, especially the parents of the scouts, and the following men, Tom Tallon, Joe Rogers, Joe Powers, Fred Klingler, and John Savage," he said. "A new scoutmaster has been selected and will be announced soon."

Coughlin is skipper of Sea Scout Ship No. 144, which was issued

its charter February 1. In addition to charter members previously announced these new names are added, Frank Blauert, first mate; Jack Coleman, mate; and Joe Morretti, apprentice sea scout.

There are several vacancies in the ship and recruiting starts today, April 1. Ship 144 is open to boys 15 years or older of any race or creed, providing they meet sea scout requirements. A limited number of boys 14 or older will be considered for the cabin boy patrol of the ship, Coughlin said.

Coughlin advised any boy interested in membership to see him at once at 443 Irvington street.

For People With "Date Trouble"

People who have difficulty remembering dates are in for much worse headaches than ever before, now that rationing has made the "date" all-important.

To make life a little simpler, this newspaper runs a tabulation of those dates which mean food, clothing, tires, and escape of penalties in this column, each week.

March 16—sugar ration stamp No. 12 became valid; is worth 5 pounds but must last through the end of May.

March 22—No. 5 "A" coupons became valid for 1 pound of each from March 22 to May 21.

March 22—Coffee stamp No. 26 became valid for 1 pound of coffee.

March 25—Blue stamps D, E, F for the second period in processed food rationing could be used, due to overlapping period arranged by OPA. These may be used any time during April.

March 29—rationing of meats, cheeses, edible fats and oils and canned fish began. The "A" red stamps in War Book Two are now valid. Worth 16 points.

April 1—deferments end for men of draft age in 29 non-deferable occupations.

April 4—"B" stamp in red section of War Book Two valid for purchase of meats, etc.

April 11—"C" red stamp becomes valid, War Book Two.

April 15—last day to pay first installment state income tax.

April 19—"D" red stamp good during this week.

April 25—"E" red stamp is now valid; expires at a date to be

announced later.

April 25—last day to use coffee stamp No. 26 in Sugar Book for purchase of 1 pound of coffee.

April 30—Red stamps "A," "B," "C," and "D" expire.

April 30—Blue stamps D, E, and F, for purchase of rationed processed foods, expire.

May 1—deadline for non-deferable men to get war work or fight.

May 1—Last day to use coupon 12 in Book One, good for 5 pounds of sugar.

June 15—last day to use Coupon 17 (in the sugar book) for purchase of shoes (one pair).

Legion Continues Fats, Grease Campaign

When Daly City Post No. 410, American Legion, meets, Thursday evening, April 8, at Legion hall, the men will discuss plans to entertain service men stationed in this area at several dances. Details will be announced later.

The Legion pointed out that they are continuing their salvage drive to collect waste fats and greases and turn them into war plants which will use them in the manufacture of high explosives. Chairman of this campaign is August Hanson, 64 Acton street, RAndolph 5951. Those who would like to donate their collections of fats and greases to the Legion may do so by contacting him.

Donors were urged to place the fats or greases in tin, never glass, containers, with wide mouths.

AT CROCKER

Room 3 saw two films recently during their social studies period entitled, "The Old South" and "The New South," showing the rapid progress made in agriculture and industry.

Paula Brown, former high sixth grade pupil, has transferred to Richmond.

Two slides on Canada were recently shown in Room 2.

AT JEFFERSON

"A Penny for a Pine," a conservation movement in schools throughout California, resulted in a jar full of pennies at Jefferson school amounting to nearly \$7. As California's forests become depleted, pennies from children throughout the state will supply young pine trees, which will be planted on Sierra slopes by forest rangers. Jefferson pupils will be responsible for about 700 pine trees this year to add to the beauty and re-forestation of California.

Each Jefferson class made a very fine contribution to the national Red Cross War Fund drive.

War Stamp Day, a weekly event here, finds a large number of pupils helping out Uncle Sam.

Tin collectors are still making rounds under supervision of block groups in their neighborhood.

Volleyball games in two divisions between Crocker and Jefferson resulted in the following scores: Boys team: 52-48, Jefferson; Girls team: 40-26, Crocker. Robert Lazzarini is captain of Jefferson boys, and Lorraine Masoni is the girls' captain.

Joseph Corsiglia, a former Jefferson graduate of nearly ten years ago, paid a visit to the eighth grade recently. He is home from Hawaii on a short furlough. He gave the class an interesting account of his experiences at Pearl Harbor.

Just Be Careful Not To Raise Rats

Along with the growth of the Victory Garden program and the back-yard raising of poultry, a big increase in the number of rodents is foreseen by the San Mateo County Department of Public Health and Welfare.

"Producing food for home consumption will help win this war, but producing rats will help ruin this food," said Dr. Charles C. Gans, director, in issuing a series of don'ts for householders.

Daly City's back-yard farmers were urged not to allow rubbish to accumulate, not to feed chickens more than they will eat and thus cause food to be left around the premises, not to scatter garbage as feed for chickens, not to build chicken houses against fences or other buildings and not to build the floors of such structures on the ground, not to allow Victory Garden products to lie on the ground; not to allow rats the run of the property.

Advice on methods of rodent control may be secured by notifying the district office of the county health department, located at 7375 Mission street, phone RAndolph 1170. Deputy Health Officer Fred Collins is in charge in this area.

READING & WRITING

BY Edwin Seaver AND Robin McKown

WHEN the Germans marched into Norway, they announced with loud proclamations that "they came as friends." In his book, "They Came As Friends," the Norwegian journalist, Tor Myklebost, tells us just what sort of "friends" the Germans have been and how the Norwegians have been and are combatting that "friendship."

Humor is one of the minor—though not ineffective—weapons of the Norwegians. After the Nazis announced that they wished a hand in the running of the Norwegian Athletic Association—a nationwide organization of young men and women—the membership mysteriously shrunk overnight to nothing at all. Later, however, when the Nazis decided to reorganize it, the Norwegians became suddenly cooperative, even to the extent of suggesting a director. How chagrined the Nazis were, after they had publicized widely the name of this director, to discover that the man named was at that time in jail, doing sentence as a common thief!

To explain national socialism, the Nasjonal Samling sent out speakers to all parts of the country. At one place, the speaker found his total audience consisted of two black cats. Outside the hall, however, a large crowd had gathered. These people politely explained to the speaker that the two cats had protested against attending the meeting, but that they had been chased inside so that the speaker would not be entirely alone.

Are you one of those people who are always promising themselves that some day they will get around to reading Dickens again—or, at any rate, to reading Dickens? Maybe the same thing troubles you that bothers us when we look at those big Victorian tomes, packed with fine print. Where's the time coming from to read them? In this case, you'll welcome the new Dickens Digest, containing "David Copperfield," "Pickwick Papers," "Oliver Twist" and "Martin Chuzzlewit," in condensed form. It would take a better Dickens scholar than we are to recognize where the cuts have been made, so skilfully has the job been done by Marie Louise Aswell. The Book-of-the-Month Club has selected "The Dickens Digest" for distribution of its members as a book-dividend.

Humor has not deserted the French soldiers incarcerated in German prison camps, we learn from Marcel Hædrich, author of "Barrack 3 Room 12." The men looked forward eagerly to receiving packages from home, to supplement their meagre diet. When these packages did not contain food, they were understandably disappointed. There was the man, for instance, whose family regularly sent him a woolen sweater, until he had five of them. "What do they think I am," he grumbled, "a

If Nobody Picks Up Your Tin Write Crane

Already a large number of post cards have arrived at the office of R. L. Crane jr., district superintendent of schools and local salvage chairman, asking for pupil-collectors to call for tin cans which local residents have ready for the drive. Crane said today that as fast as these requests come in he is referring them to the school nearest the home of the householder. Anyone who is being missed in this important salvage drive may get their address on the regular collection routes by writing to Crane at 344 Santa Barbara avenue.

Tins must be properly prepared to be of any use to the nation. Each can must be washed thoroughly, divested of paper labels, and flattened.

Just Don't Lose Any Ration Books

Even a hasty study of the new uniform regulations governing replacement of War Ration Books One and Two as issued by OPA should convince the most optimistic that here's one place where carelessness does not pay.

Regional headquarters of OPA warned the public today that it is up to the individual to do everything in his power to prevent the books from being lost, stolen, or mutilated.

The Daly City residents unfortunate enough to have any ration book casualties must apply to War Price and Rationing Board 83-12-3, 473 Grande avenue, South San Francisco on Form No. R-194. In case of mutilated book the board shall determine whether it was wilfully mutilated. It not a replacement (so marked) may be issued and the old book destroyed.

In case of a lost or stolen book, the form must be made in duplicate and the local board must forward the second copy to the enforcement section of the state or district office. It also may require the applicant to report his case to the police.

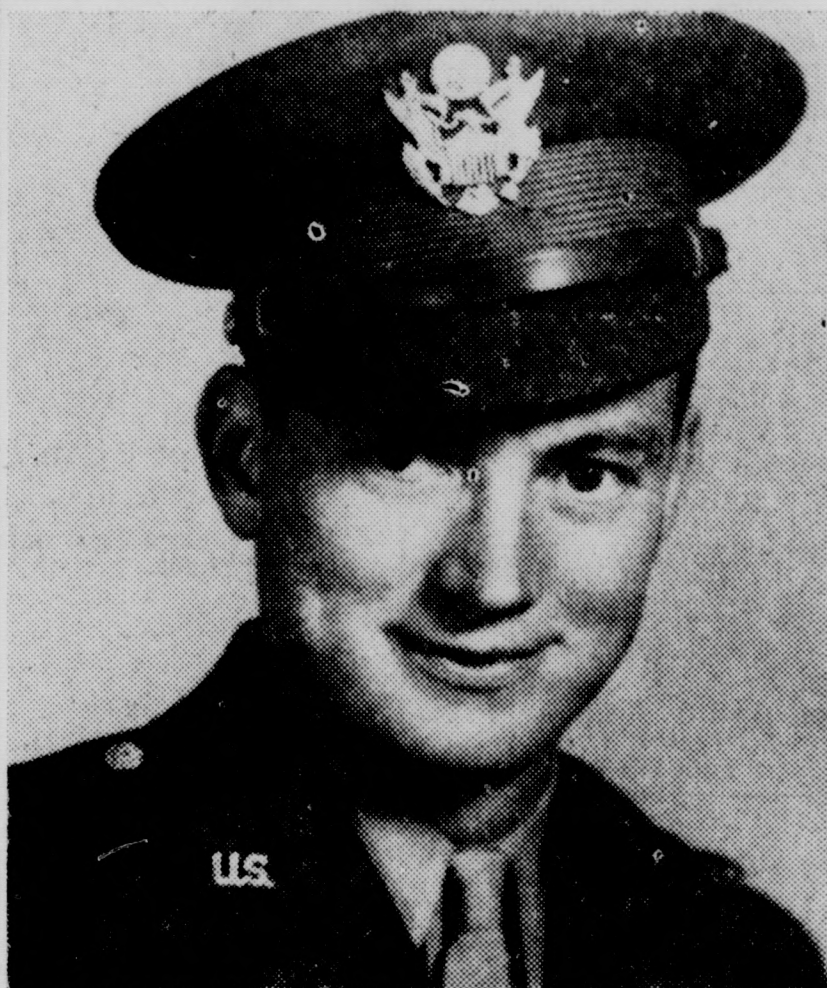

Ten days after the first application is filed the applicant may return to the board. The board, then may examine the facts and if satisfied may issue the replacement. If it appears necessary the board may require the applicant to appear at a hearing before issuing the replacement.

If the board finds that the book was lost or stolen through negligence on the part of the owner it may hold up issuance of the new book for as long as sixty days.

One Of Four Brothers In Services

Lieutenant Leroy R. Clark, above, spent a recent furlough in Daly City with his sister, Mrs. Pearl Caine, 479 Bellevue avenue. Lieutenant Clark earned his wings as a bombardier, last October, and is awaiting order for duty.

He is one of four brothers now serving in the armed forces from the family of Mr. and Mrs. J. F. Caine, formerly of 395 Frankfort street.

The other three sons are in the U. S. Navy. They are Jack Clark, second class machinists mate, who has been in the Navy for the past six years; Bob Clark, second class machinists mate, now in his fifth year of service; and Arch Clark, second class machinists mate, with the Navy eight months. Bob was on the famous San Francisco.

Track Men Win Places At Relay

Jefferson high relay men took a first and a third place in the annual PAL relays, held on the Sequoia high track, Saturday. Coach Elman Rose took a squad of 13 men to the meet, which comprised 11 events in the A, B, C, and D divisions, with six schools competing. Local entries were in the three lower divisions only.

Winning the 880-yard relay event in the B division was the Jefferson team composed of John Melani, Vincent Barsi, Ray Stumpf and Al Chelone, who turned in the time of 1:39.2. The third place was taken in the 440 distance, also in B class.

Coming meets in which Coach Rose's boys will compete include one with Burlingame, San Mateo, and Palo Alto at Burlingame tomorrow (Friday), and another on Jefferson's home field, Monday, with Commerce high as the opponent.

in the county was \$36.64 for February, 1943, compared with \$36.24 for February, 1942, the association stated, and the total aid extended amounted to \$43,344 for February, 1943, compared with \$43,239 for February, 1942.

Speaks Tomorrow Night

Pastor N. M. Lewis, Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues, announces that Dr. O. J. Nease, general superintendent of the Church of the Nazarene, will be guest speaker at the local church, tomorrow evening, April 2, at 7:45. The public is invited to join the congregation in hearing this outstanding leader. He is to discuss Pasadena college and its role in Christian education.

All these boys have plenty of experience as ball players, according to Norry, and expect to give other league teams tough competition.

Manager Norry expressed the hope that Daly City fans would give the team cooperation. The public is invited to see the games during the coming weeks.

POLICE

(Continued from Page 1)
Officers George Hopman and Joe Kusber rushed to the scene of an accident in front of Jefferson high school. The cars of Ronald Snowden, Colma, and Louis Blankenship, 7301 Mission street, were involved. Blankenship had run into Snowden's automobile. Blankenship was booked for driving while intoxicated. He was released the next morning on bail of \$50, to appear in court, April 2, at 2 p. m.

THEN, FACE FOOD

RATIONING OF FOOD IS NECESSARY, BECAUSE

1. Fear of scarcity in war time leads people to buy more than they
2. Many people do not understand that if food is rationed, we'll all have our fair share.

Therefore, we must learn to use food wisely.

Stamp Drive

Inter-class competitions, March 23-26, brought War Bond and Stamp sales at Jefferson to a new high. Each class president selected a day for his classmates and members wore patriotic colors on the day designated. Freshmen had Thursday and sold a total of \$411.60, attaining an average of \$1.99 per student; sophomores, Wednesday, total, \$177.80, average, .96; juniors, Tuesday, total, \$521.90, average, \$4.28; seniors, Friday, total, \$1,043.10, average, \$9.40. This made a total of \$2,154.40 for the week. Stacked up against the best total for any month, previously, which was January, with \$1,405.95, this is really something!

EXECUTIVE BOARD

* Regular meeting of the executive board was called to order by President Ralph Capps, Tuesday, March 23, at 8 a. m. Under old business, Mary Seidel reported the G. P. A. Tentative plans for turning the next school dance over to both the Block J and Juniors were discussed.

Under new business Secretary Dorothy Nelson brought up the question of the completion of the handbook of school songs and yells. Elsie Belli and Gene Hopper are in charge of finishing it. It will be called the Jefferson Handbook and will go on sale soon.

HONORS

Bianca Ratto is the first student at Jefferson Union high school to receive her Junior Red Cross emblem. Other Jeffersonians are very close to receiving theirs, according to current reports, and will soon be proudly wearing them on their arms. Workers may get the emblem after 10 hours given to making scrap books for wounded servicemen, sewing on utility bags, and other Red Cross duties. To keep the emblem the worker must put in 6 hours each month in this important work. Miss Ratto spent many hours soliciting contributions for the Red Cross in the recent drive.

Selection of the boy to represent Jeff at annual Boys' State, sponsored by the American Legion, was made, this week. The honor goes to Ken Hatt, with Herbert Fellows as alternate. Dates

have been set as June 16-25 at Sacramento.

NATURALIST SOCIETY

Twenty members of the Naturalist society, accompanied by the sponsor, John Harville, went to Moss Beach, Saturday, to collect marine specimens. This was the first step in preparing a rotating museum to display in the hall. The marine exhibit will be the first in a series of interesting natural history showings.

G. P. A. L.

More than 45 girls have already turned out for basketball, according to Miss Claire Nace, physical education instructor. She also reported that the volleyball turnout this season was good and that more than forty girls will receive awards for participation in this sport.

The following girls have passed the Red Cross Beginners' tests: Amelia Capurro, Martha Jones, Esther Romani, Joan Leary, Madeline Mejia, Beverly Farthing, Frances Anderson, Loretta Upton,

Arm bands for the women are expected to arrive soon.

**Laundering Curtains at Home**

Laundries are so busy these days that some of us are tackling the job of washing those dainty, frilly and sheer glass curtains at home for the first time. It's not such a problem, provided you treat them with a little extra care, and don't try to wash them as you would Junior's rompers. **Get the Size**—Shake out the dust, then measure the curtains accurately. To prepare them for the suds, fold them lengthwise, then crosswise, and crosswise again if they are very long. This folding prevents them from getting tangled or twisted.

Washing—Soak curtains in moderately warm, mild soap suds for 15 to 30 minutes. Two soakings may be necessary if the curtains are very soiled. Squeeze water out (NEVER TWIST OR WRING CURTAINS). If washed in a machine, tie curtains loosely in a cheese-cloth bag to prevent tangling. This is not necessary if they are washed by hand. Use moderately warm suds, and agitate, or "squish" in the suds. Rinse thoroughly in warm water, starch according to the directions given for curtains on your package of starch. Dry white curtains in the sun and colored and ecru ones in the shade. If you have a curtain stretcher, you are fortunate. Otherwise, hang lengthwise on the line.

Ironing—When almost dry, stretch curtains to their original measurements and press with a moderately hot iron, lengthwise of the material. They may be folded lengthwise for ironing.

For Faded Curtains—Give them a new lease on life with a tint or dye. To remove old colors, use a mild bleaching agent.

**Spic 'n' Span**

The whole house should gleam with that spic and span look after the spring cleaning. That means that besides doing the general cleaning, every little scratch, discoloration, flaw here and there has been taken care of.

Housecleaning isn't what it used to be now that we've a host of modern cleaners of all sorts on the market . . . cleaner for windows, cleaner for upholstery, cleaner for walls, cleaner for just about everything. And take it from me, they do a wonderful job. I am greatly in favor of anything that makes life easier for the homemaker.

But these new cleaners aren't the only things that star during cleaning time. Common household items like salt and vinegar, can do all kinds of miracles around cleaning time.

SALT—

Cleans those brown and grey stains on the bathtub and basin with utmost efficiency. Pour salt on a slightly dampened cloth and scour. It is especially good for hard water stains.

Removes stains and discoloration from china, earthenware and pottery. Moisten salt and rub spot with it.

Cleans and brightens brass, copper and pewter when used with an equal amount of vinegar. Add a little flour to the mixture to make a paste, rub it on the article, let it dry, and then rub off. Wash and polish and watch the sparkle.

VINEGAR—

Equal parts of vinegar and linseed oil make a very good furniture polish. Mix together, shake well, rub on furniture and then polish with the grain of the wood. It brings out hidden beauty.

Cuts the grease on stoves, in ovens, and on broilers like magic. Saturate a rag with vinegar and go over the greasy portions. Soak stubborn parts in soapy suds that contain vinegar.

Cleans brick and tile fireplaces quickly and easily. Just wash the surfaces with a cloth saturated with vinegar.

Removes grease smudges on walls, or painted woodwork. Use it full strength on a cloth.

Hot vinegar removes paint from windows. Apply it with a cloth, then remove quickly with a paint scraper. No long scraping necessary.

Brightens faded rugs. About a half cup of vinegar added to a quart of water, then swept over a faded rug brings back its forgotten color.
